Limited English Proficiency (LEP) Plan

Overview

As a recipient of federal financial assistance, the **Save Point Non-Emergency Disabilities Transportation LLC** is required to prepare a Limited English Proficiency (LEP) Plan to address its responsibilities relating to the needs of individuals with limited English language skills.

This plan has been prepared in accordance with [Title VI of the Civil Rights Act of 1964, 42 U.S.C 2000d, et seq.](#), and its implementing regulations which state that no person shall be subjected to discrimination on the basis of race, color, or national origin.

[Executive Order 13166 “Improving Access to Services for Persons with Limited English Proficiency”](#), issued in 2000 clarified Title VI of the Civil Rights Act of 1964. It stated that individuals who do not speak English well and who have a limited ability to read, write, speak, or understand English are entitled to language assistance under Title VI in order to access public services or benefits for which they are eligible. While most individuals in Wisconsin read, write, speak, and understand English, for some individuals English is not their primary language. If these individuals have a limited ability to read, write, speak, or understand English, they are considered Limited English Proficient (LEP).

The US DOT [“Policy Guidance Concerning Recipients’ Responsibilities to LEP Persons”](#) discusses the concept of “safe harbor” with respect to the requirements for translation of written materials. The *Safe Harbor Threshold* is calculated by dividing the population estimate for a language group that “Speaks English less than very well” by the total population of the county. The *LEP Safe Harbor Threshold* provision stipulates that for each LEP group that meets the LEP language threshold (5% or 1,000 individuals, whichever is less, of the population to be served) the **Save Point Non-Emergency Disabilities Transportation LLC** must provide translation of vital documents (e.g., Notice of Nondiscrimination, Complaint Procedure and Complaint Form) in written format for non-English speaking persons.

Recipients of federal financial assistance are also required to implement LEP plans in accordance with guidelines of the federal agency from which the funds are provided. [FTA Circular 4702.1B – Title VI Requirements and Guidance for FTA Recipients](#) provides guidance and instructions for LEP Plan development.

Plan Summary

The **Save Point Non-Emergency Disabilities Transportation LLC** has developed this *Limited English Proficiency Plan* to identify reasonable steps for providing language assistance to persons with limited English proficiency (LEP) who wish to access services provided by the **Save Point Non-Emergency Disabilities Transportation LLC**.

This plan outlines how to identify a person who may need language assistance, how to inform LEP persons language assistance is available, the ways in which assistance may be provided, and staff training.

Plan Components

As a recipient of federal US DOT funding, the **Save Point Non-Emergency Disabilities Transportation LLC** is required to take reasonable steps to ensure meaningful access to programs and activities by LEP persons.

1. The results of the *Four Factor Analysis*, including a description of the LEP population(s), served.
 - ✓ **Demography** of LEP persons who may be served or are likely to encounter an LAPC program or service.
 - ✓ **Frequency** of contact with LEP persons
 - ✓ **Importance** of program to LEP persons
 - ✓ **Resources and costs** to provide LEP assistance
2. A description of the following:
 - ✓ How language assistance services are provided.
 - ✓ How LEP persons are informed of the availability of language assistance services.
 - ✓ How the language assistance plan is monitored and updated.
 - ✓ How employees are trained to provide language assistance to LEP persons.

Meaningful Access - Four Factor Analysis

To prepare this plan, the **Save Point Non-Emergency Disabilities Transportation LLC** conducted a four-factor analysis which considers the following:

Factor 1 - Demography

Number and proportion of LEP persons who may be served or are likely to encounter a Save Point Non-Emergency Disabilities Transportation LLC program or service.

This plan uses [US Census Bureau – American Fact Finder \(2011-2015\)](#) language data available at the county level in Wisconsin. More data is available on the [US Census Bureau ACS website](#).

The US Census Bureau – American Fact Finder (2011-2015) data shows there are numerous languages spoken in Milwaukee county. Some of these languages include (Spanish, French, Italian, German, Yiddish, Greek, Russian, Polish, Serbo-Croatian, Ukrainian or other Slavic languages, Armenian, Persian, Gujarati, Hindi, Urdu, Punjabi, Bengali, Nepali, Marathi, or other Indic languages, Other Indo-European languages, Telugu, Tamil, Malayalam, Kannada, or other Dravidian languages, Chinese (incl. Mandarin, Cantonese), Japanese, Korean, Hmong, Vietnamese, Khmer, Thai, Lao, or other Tai-Kadai languages, Other languages of Asia, Tagalog (incl. Filipino), Ilocano, Samoan, Hawaiian, or other Austronesian languages, Arabic, Hebrew, Amharic, Somali, or other Afro-Asiatic languages, Yoruba, Twi, Igbo, or other languages of Western Africa, Swahili or other languages of Central, Eastern, and Southern Africa, Navajo, Other Native languages of North America, Other and unspecified languages. After English, the second largest language group is Spanish.

The Safe Harbor Threshold is calculated by dividing the population estimate for a language group that “speaks English less than very well” by the total population of the county. The LEP Safe Harbor Threshold provision stipulates that for each LEP group that meets the LEP language threshold (5% or 1,000 individuals, whichever is less), the **Save Point Non-Emergency Disabilities Transportation LLC** must provide translation of vital documents in written format for non-English speaking persons.

US Census data shows that in Milwaukee county, with a population estimate of (886,665), (739,664 speak English only) with the following languages having more than 1000 speaking English less than very well:

- Spanish: 33,818 +/-3,529

- Punjabi: 1,418 +/-1,644
- Chinese (incl. Mandarin, Cantonese): 1,260 +/-547
- Hmong: 3,050 +/-973
- Vietnamese: 1,162 +/-668
- Other languages of Asia: 2,112 +/-1,328
- Arabic: 1,900 +/-1,321
- Amharic, Somali, or other Afro-Asiatic languages: 1,299 +/-1,073

English language document is the only format currently available. Spanish language documents are not presently available but will be a first priority. Accessible PDF files and one set of Braille documents will be produced for the blind/low vision community. Current census data does not provide breakdown of other specific languages. Special funding will be required to make vital documents available in other languages.

All other language groups listed above are also below the Safe Harbor Threshold. This means, at this time, the **Save Point Non-Emergency Disabilities Transportation LLC** is not required to provide written translation of vital documents in these languages.

In the future, if the **Save Point Non-Emergency Disabilities Transportation LLC** meets the Safe Harbor Threshold for any language group, it will provide written translation of vital documents in such languages and consider measures needed for oral interpretation.

Factor 2 – Frequency

Frequency of contact with LEP persons.

The **Save Point Non-Emergency Disabilities Transportation LLC** and its contractor and volunteers provide transportation service for the **Save Point Non-Emergency Disabilities Transportation LLC** and in (Milwaukee county).

The **Save Point Non-Emergency Disabilities Transportation LLC** reviewed the frequency with which its staff, policy board, contractor, and volunteers have or could have contact with LEP persons in the conduct of **Save Point Non-Emergency Disabilities Transportation LLC** activities. This includes a review of documented phone inquiries, office visits, and encounters at public meetings and community events. Within the last year, **Save Point Non-Emergency Disabilities Transportation LLC** staff, policy board, contractor, and volunteers had (0) requests for interpreters and (0) requests for translated program documents in any setting.

Save Point Non-Emergency Disabilities Transportation LLC staff, policy board, contractor, and volunteers are trained on what to do when they encounter a person with limited English proficiency.

The **Save Point Non-Emergency Disabilities Transportation LLC** staff with assistance from its policy board, contractor and volunteers tracks the number of encounters and considers adjustments to its outreach efforts to ensure meaningful access to all persons and specifically to LEP and minority populations of the **Save Point Non-Emergency Disabilities Transportation LLC's** programs and services. The *Log of LEP Encounters* is a tool to help track LEP encounters (**Appendix 7**).

Factor 3 – Importance

Nature and importance of program to LEPs.

It is imperative that language assistance be provided to ensure LEP individuals have access to essential services, and transportation plays a key role in connecting LEP persons to these services. Public transportation fare/service changes and eligibility requirements should be communicated to LEP individuals so they can access the essential programs and services. It is also important that LEP individuals understand their full rights and benefits when accessing transportation program and services to ensure they have been treated fairly and can identify and report discrimination if they are not.

Save Point Non-Emergency Disabilities Transportation LLC assessment of critical needs includes contact with community organization(s) that serve LEP persons, as well as contact with LEP persons themselves to obtain information on the importance of the modes or the types of services that are provided to the LEP populations.

With improving outreach activities, **Save Point Non-Emergency Disabilities Transportation LLC** is working to increase contact with LEP individuals at public involvement meetings and activities.

Factor 4 – Resources and Costs

Resources available and overall cost to provide LEP assistance.

Given the small size of LEP encounters and small LEP populations, full multi-language translations of our programs and services related to transportation services is not warranted at this time. However, this information can be made upon request. The **Save Point Non-Emergency Disabilities Transportation LLC** will contact state and local units of government and community resources for assistance in translation services.

Even though the **Save Point Non-Emergency Disabilities Transportation LLC** does not have a separate budget for LEP outreach, it continuously explores ways to implement methods of notifying LEP persons of transportation services. Outreach efforts include maintaining a website, utilizing social media, developing, and printing brochure/materials, and having a visible presence in our community (e.g., participating in job fairs, parades, community events, etc.) to promote transportation services. Additional outreach methods to reach LEP communities include but are not limited to activities such as visiting ethnic stores/markets and restaurants, community centers, libraries, faith-based institutions, and local festivals. The cost is relatively low but the ability to reach the LEP population is high.
